

Castell d'Or is the legacy of the first cooperatives founded at the end of the 19th and turn of the 20th century. Today, we are a total of **16 cooperatives**, representing more than 2,200 families who work the land with love and respect for nature.

United by a shared objective, to build a common business with value, character, tradition... a real "Castell d'Or" (Golden Castle), which enables the development of the activity of our members, who are the direct beneficiaries of their work.

At Castell d'Or we have been selecting the finest vines and using modern facilities to create exclusive, **Premium** category wines since 2005.

Made with the native variety Trepat. A cava with a unique and exclusive character. Aromas of strawberry and nectarine.

Cava Flama d'Or is located in the **Comtats de Barcelona** area, a land of diverse landscapes, mainly composed of pretty valleys nestling in between low-lying mountain ranges. The grapes for Cava Castell d'Or originate from a region with a long tradition of winegrowing dating back more than 2,000 years.

The **Cava Flama d'Or**, with the golden vine as its inspiration, symbolizes the value of the plant from which the fruit will be born, initiating the creation of a unique and representative product of the Cava region. The vine in gold signifies the important role of the land in this creation; values the hard work of farmers who are taking care of the vine throughout its natural cycle. The best expression of the **terroir** from which our wines and cavas are born, the tradition and history of the wine estates, as well as the exclusive selection of the best grapes from each sub-area, allow us to offer a product with an exceptional and unique personality.

Cava Flama d'Or Brut Rosé is an enticing and sophisticated cava, with well-balanced fruit and acidity that offers us aromas of strawberry, nectarine and candy.

TECHNICAL DATA

Grape varieties	Trepat 100%
Age of vines	Over 10 years
Fermentation temperature	16°C
Fermentation duration	9 days
Time in bottle	>12 months
Alcohol content (vol)	11,50 %
Total acidity (gr/l)	6,2
pH	3,05
Residual sugar (gr/l)	11
Winemaker	Joan Rabadà
Sizes available	75 cl
Recommended serving temperature	6-8°C
Energetic value	314 kJ / 75 kcal
Ingredients	Grape, expedition liqueur, sulfur dioxide

COMPLETE RANGE

PRODUCTION

Elaboramos cavas de calidad excepcional, producidos a la DO del Cava mediante el **método tradicional** que consiste en la realización de la segunda fermentación alcohólica en botella. Cada variedad de uva se recoge y fermenta por separado. Para la segunda fermentación, las botellas se mantienen en bodegas subterráneas a una temperatura constante de 15°-17°C donde están en contacto con sus madres.

AGEING

This cava is classified as a **Cava de Guarda**, and spends more than 12 months in the bottle where it undergoes the second fermentation to acquire its bubbles. After this, we start the riddling process: the sediments, resulting from the depletion of the yeasts, are deposited in the neck of the bottle, thanks to a daily rotation of the bottles carried out in our cellars. The native yeasts lend our cava its unique personality.

TASTING NOTES

Appearance

Bright, light pink.

Nose

Strawberry, nectarine, candy notes.

Palate

Acidity well balanced with the fruitiness creating a sweet-sour sensation of candies.

Food pairings

Perfect with Thai food, beef carpaccio, panettone.
